

Hinduism
Polytheistic ("many Gods")
belief system that
developed in ancient
India thousands of
years ago

Some Hindus claim
that Hinduism is more
of a way of life than
a set of rigid
beliefs

Hindus have many texts
considered sacred, chief
among them are the Vedas

Hindus generally believe in
reincarnation (rebirth after
death) with Karma
(the good & bad you do will
come back to you)

Hindus live primarily in India & Nepal

Major Hindu Deities

Brahma - Creator

Vishnu - Preserver

Shiva - Destroyer

and numerous others

Some Hindus would
argue that there
is only 1 God
(Brahman) and
all others are
manifestations or
understandings of
the 1 God
